Please read the following guidelines carefully prior to your visit at our office.

1. Most treatment at our office is completed in one visit.
2. Payment in full is due at the time of service for patients without dental insurance.
3. We are providers for most Delta Dental and United Concordia insurance plans. You will be informed of the out of pocket estimate due on the day of service.
4. If you have dental insurance other than those listed above, we generally require payment in full at the time of your visit and your insurance company will reimburse you directly.
5. We accept Care Credit.

*** If a patient presents without appropriate payment, unfortunately we will not render treatment at that visit.
